Golf Classic Set To Score Another Hole in One

UCP Suffolk's 18th annual Golf Classic will be held May 7 at Glen Head Country Club! Greg Schaefer, The Schaefer Agency, Inc., is chairing this year's event, along with honorary chairs Richard B. Lewis, R.B. Lewis Associates, Inc., and Brian Stone, M&T Bank.

Last year's Golf Classic, co-chaired by Schaefer, was the most successful golf classic in terms of attendance and funds raised since the event was initiated in 1989. "With Greg's leadership, we look forward to another successful event this year," said Executive Director Stephen H. Friedman.

The presenting sponsor is Corporate Electrical Technologies Inc. An electrical contracting services firm based in Bellmore, CET serves property owners, architects and retail clients. UCP Suffolk thanks CET for its generous support for this most important event.

The prestigious Farmingdale law firm of Carman, Callahan & Ingham, LLP, will be honored at the outing. Founded in 1928, today the firm has more than 20 attorneys on staff, providing real estate, business transactions, will and estate planning, as well as litigation specializing in insurance defense. Michael F. Ingram, grandson of the firm's original founder, has served as a member of UCP Suffolk's Board of Directors since 2004.

The Golf Classic kicks off with a 10:30 am brunch, followed by a 12:30 pm shotgun start. The cocktail reception, dinner and awards will begin at 5:30 pm. For sponsorship opportunities and registration information, please contact Irene Morlock, UCP Suffolk special events manager, at 631-232-0015.
